

“VOICE OF A NATION” (MR. SONGWRITER)

This is a do or die situation
Changing hearts and not faces
I’m a part of a plan
I am a Voice of a Nation

I’m rising up to do my part
I feel the nations aching heart
So sick and tired of being lied to
I am a Voice of a Nation

[Chorus]
Voice of a Nation
Let Me Hear You Say It
Voice of a nation
Voice of a nation
Let Me Hear You Say it
Voice of A Nation
Voice of A Nation
Let me Hear You Say it
Voice of A Nation
Voice of a Nation
Voice of a Nation
Hey!

I understand what worked back then
But this is not that day my friend
I just gonna disagree with you
I am a Voice of a Nation
Don’t tell me you understand
Show me and take a stand
So Sick and tired of being lied to
I am a Voice of a Nation

[Repeat Chorus]

[Pre-Bridge]

You gotta stand up to be the Voice of a Nation
Hey, Hey, Hey
You gotta stand up to be the Voice of a Nation
Hey, Hey, Hey
You gotta stand up to be the Voice of a Nation
Hey, Hey, Hey
You gotta stand up
You Must Stand Up

[Bridge]

We must, hold them accountable
Our task is surmountable
Change unavoidable
You Gotta stand up to be the Voice of a Nation
Justice is truth in action
So Let's cause a Chain reaction
We're stepping in our future
You gotta stand up to be the Voice of a Nation
Voice of a Nation
You gotta stand up to be the Voice of a Nation
Voice of a Nation
You gotta stand up to be the Voice of a Nation
Voice of a Nation
You gotta stand up to be the Voice of a Nation
Voice of a Nation
You gotta stand up to be the Voice of a Nation
Voice of a Nation
Hey!
You gotta stand up to be the Voice of a Nation
